- Guaranteed Protection - First in Hong Kong
- Cover up to \$1,000,000
- Simple Application with No Medical Examination Required
- Guaranteed Refund of Premiums

Guaranteed Protection – First in Hong Kong

No matter what your state of health, and even if you have major problems such as lung cancer, heart disease, or renal failure, we will still guarantee to accept your life insurance application with no health declaration required.

Cover up to \$1,000,000

There will be absolutely no exclusions and no additional premiums, making the plan a genuine peace-of-mind guaranteed acceptance life insurance policy.

Simple Application with No Medical Examination Required

Applying for Guaranteed Acceptance Plan is quick and easy. There is no need for you to undergo any medical examination, and there is no need to fill in any health questionnaire or to present any health records.

All you have to do is sign a straightforward application form. You then enjoy full coverage from the moment the application form and the first premium are received.

Guaranteed Refund of Premiums

On top of this, we guarantee that from the 20th policy year onwards, if you terminate the policy, you will get back 100% of the premiums you have paid. In other words, you do not have to pay a cent towards getting comprehensive life coverage, even if you live to be 100 years old. If the policy is terminated after the 10th policy anniversary, you can still get back 50% of your premiums.

Important Information

Premium Payment Term and Benefit Term

The premium payment term and the benefit term are up to age 100 of the Insured. If the premium is not paid before the end of the 31-day Grace Period from such premium due date, all coverage under the policy will be terminated and the Surrender Value (if any) would be payable.

Termination

The policy will be terminated when one of the following events occurs:

- On the Benefit Expiry Date
- The Grace Period ends
- The policy owner submits a written request to terminate this policy
- The Insured dies

Maturity Benefit

If the Insured is living on the Maturity Date of the policy as shown in the Policy Schedule, the maturity benefit proceeds are equal to 100% of the total premium paid in respect of this policy without interest.

Early Surrender

The product is intended to be held in the long-term. Should you terminate the policy early, you may receive a Surrender Value considerably less than the total premiums paid.

Inflation Risk

Where the actual rate of inflation is higher than expected, the policy owner might receive less in real terms even if YF Life Insurance International Ltd. ("the Company") meets all of its contractual obligations.

Credit Risk

This plan is underwritten by the Company. The insurance benefits are held solely responsible by the Company and subject to its credit risk.

Duty of Disclosure and the Consequences of Not Making Full Disclosure

You are required to disclose in the application all information you know or could reasonably be expected to know because the Company will rely on what you have disclosed in this application to accept the risk and the terms of insurance. Your duty of disclosure ends on the signing date of application or the supplementary form(s), whichever is later. If you are in doubt as to whether a fact is material, please disclose it in the application. Failure to comply with this requirement may render the policy issued voidable.

Claims Procedures

For details of the procedures for making claims, please refer to our website at:

Premium Levy (Applicable to Hong Kong only)

The Insurance Authority (IA) imposes a levy on insurance premiums from policy for all new and in-force insurance policies issued in Hong Kong. For details about the levy, please visit the dedicated IA webpage at www.ia.org.hk/en/levy.

Cooling-off Period and Right of Cancellation

If you are not satisfied with the policy, you may return it under a signed covering letter to us (Hong Kong: 27/F, YF Life Tower, 33 Lockhart Road, Wanchai, Hong Kong / Macau: Avenida Doutor Mario Soares No. 320, Finance and IT Center of Macau, 8 Andar A, Macau) within 21 calendar days after the delivery of the policy or delivery of the Notice (which states that the policy is available for collection and the expiry date of the cooling-off period) to you or your representative, whichever is earlier. We will cancel the policy upon receipt of your written request and refund all premiums and levy you paid (applicable to Hong Kong only), without any interest. No refund can be made if a benefit payment has been made, is to be made or impending.

Maturity and Surrender

You may surrender the policy by submitting a written request on the forms prepared for such purposes together with a copy of your valid identification document and permanent address proof (if applicable). We will arrange the policy surrender.

Upon policy maturity, we will send a notification letter to you and will arrange policy termination accordingly, upon receipt of your valid identification document copy.

Deferred Payment Period

We may defer payment of any Surrender Value for the period up to six months from the date we receive the surrender request, unless it is to be used to pay premium to us.

The above contains general information and is for reference only. It does not form part of the policy and does not contain the full terms of the policy.
